In Their Own Words

“Thirty-eight percent of Dallas children live in poverty. With IICF’s generous support, ChildCareGroup serves our community’s most vulnerable children and parents together, to help lift them out of poverty. ChildCareGroup’s six nationally accredited early childhood centers provide rewarding opportunities for IICF volunteers to support our efforts to ensure that all children, regardless of their background or circumstance, receive a quality early education that prepares them for success in school and in life.” - Tori Mannes, ChildCareGroup President and CEO

April Showers Bring May Flowers - and a Very Active Month of Successful IICF Events!

This May was an exceptionally productive one for IICF, with various Associate, Chapter and Division Boards hosting an array of industry gatherings ranging from casual family fun in Atlanta, to chic and stylish in Boston and San Francisco to black-tie formal in London. The common thread among all was the generous and overwhelming support of the insurance industry in giving back to their local communities.
More than £120,000 was raised at the 2nd Annual Charity Ball in London, $100,000 at the 3rd Annual Casino Night in San Francisco, and in total, over $130,000 raised from golf outings in Massachusetts, Texas and England, a Cornhole Tournament in Atlanta and networking events in Boston, New York and San Diego. Board members, guests and volunteers all had a great time with colleagues while supporting nonprofit organizations that champion important causes. We are truly helping communities and enriching lives, together! #insurancegivesback
